described with thrilling power the spectacle presented at the the daring acts of Gientworth—acts which he attempted to in favor of the Illinois and Michigan Canal. Inauguration, his own cordial and kindly reception by Gen.
Harrison, and the stunning shock which he received just thirty days after, in the intelligence that the great and good man, when he had left at the summit of human power and Sholiv had received by his interligence and defeat on the case of the standard of the summit of human power and should be a provided by his interligence and defeat on the case of the standard of the summit of human power and should be a provided by his interligence and defeat on the case of the standard of the summit of human power and should be a provided by his interligence and defeat on the case of the standard of the summit of human power and should be a provided for post of the standard of the summit of human power and should be a provided for place of the standard of the summit of human power and should be a provided for place of the standard of the summit of human power and should be a provided for place of the standard of t Scheity, had passed to the realm of Death. Mr. Ketchum fere Whig party by his investigating operations! What present year, made out by Mr. Niles, are given at \$5,100,000.

From the New-York Sun of Yesterday.

The Mayor Elect A Positival Modal.—We were among those who sinterely believed that the conduct of Recorder Morra in the Glentworth afair was right and just. We then felt called upon by every consideration connected with the public welfare, the purity of the elective franchies, and the administration of justice, to effect not too man merely, but the minister of the law and the course which have took outbut measure. Although the maderes of the hour probable pre-

toming in collision with the freedom of Elections—in the call donor of the country, and the present the relief of the country, and the restoration of its former prespectly, might be designed and commend. In all these acts pledges were given by General Harrison that he would, so far as he was looked to for that

President Tyler, because he is a Southern man; we feel every confidence that he will not prove to be a Southern Resident, nor a Northern Eastern, or Western Pesident; but the President of the entire Union, of the whole Country; that he with Mr. Morris's private character, and have repressed all will carry out the principles of the government, and the Constitution:—We ask no more.

Resolved. That a copy of these resolutions signed by the

'envenomed arrows were thrown.' Is this true! Is it hot- aid of strong and lively pens. HIRAM KETCHUM next addressed the assemblage in a brief but elequent and impressive appeal. He, too, touched first punishment the poor caitiff, Gientworth, that he provoked ILLISOIS.—The Chicago (III.) American says there is rea-Selectly, had passed to the realm of Death. Mr. Ketchum expressed the most undounting confidence that President Teller would carry on the good work of Reform which President Harmitsos had so nobly begun.

The venerable Peter R. Livingstos next addressed the most industrial thank the whitened his head, his thrilling eloquence combines have whitened his head, his thrilling eloquence combines with the wisdom and with experience of Age the hes and power of Youth. He observed that, in the course of head of any body else had been indicted, before the alleged institute.
